

SEPAC Update December 3, 2015

Please note SEPAC has no formal officers or consistent leaders at this time. The following summary has been completed by the Director of Student Services to track discussion.

Parents met on December 3, 2015 at 6:30 at Quinn Middle School to review the by-laws. There were 6 parents present. A few of the parents needed to leave within the first 15 or so mins. The remaining parents decided to work on the by-laws at the next meeting, January 20, 2016 at 5:30 at Quinn Middle School. Each meeting begins with catching up additional parents to the process. During the SEPAC meetings, two parents have been able to attend each meeting. SEPAC is a work in progress as parents come together to define the by-laws and put leadership in place.
