

## Snow/Emergency Cancellations

- The decision to cancel or delay school openings is made by the Superintendent of Schools.
- The Superintendent's Office will attempt to notify families using several different forms of communication.
  - Announcements will be called into radio stations WBZ AM 1030 or WTAG/WSRS and television stations at local Channels 4, 5, 7 and 25.
  - Online notices will be posted on [www.hudson.k12.ma.us](http://www.hudson.k12.ma.us).
  - The Superintendent's Office also sends messages through our telephone notification system to families so keeping your contact information up to date is very important to ensure you receive these messages.
- If there is a delay in opening school, AM Preschool sessions will be cancelled for the day.
- When Hudson Public Schools has a 90 minute delay buses will run 90 minutes later than their usual morning pickup schedules, a one hour delay would result in one hour later morning pickups, etc.
